

SURF TRIP
SNOWDONIA
2019

A photograph of a surfer riding a wave. The surfer is shirtless and wearing dark shorts, positioned in the center of the wave's barrel. The wave is breaking, creating white foam and a spray of water. The background is a clear, light blue sky.

SURF TRIP SNOWDONIA 2019

K2 Snowboarding takes you on an adventure that nobody has offered before! As our Enjoyer Series is inspired by the shapes of surfboards we want to show you these roots and invite you to a non on-snow, after season dealer trip to the wave garden of Snowdonia, UK.

Surf Snowdonia – a world first inland surf lagoon and a guaranteed surf break built in the heart of beautiful North Wales. Its technology delivers a variety of wave profiles, so beginners can surf safely alongside pros.

Anyone can catch a perfect wave here!
